The Menagerie

"I think I could turn and live with animals, they are so placid and self-contained; I stand and look at them long and long. They do not sweat and whine about their condition; they do not lie awake in the dark and weep for their sins; they do not make me sick discussing duty to God; not one is dissatisfied; not one is demented with the mania of owning things; not one is respectable or industrious over the whole earth."

-Walt Whitman

International wildlife veterinarian, Jennifer Conrad, DVM, uses art to express the joy of animals. This card has purpose. It provides funds for the veterinary needs of animals around the world, and it provides a striking, environmentally friendly, art card for the humans who care.

Everybody wins.

The Paw Project will receive a portion of the proceeds from the sale of this card to finance reconstructive surgery for tigers and lions whose feet have been crippled by the cruel practice of declawing.
